## Why Give?

We believe that the appropriate response to God's example, Jesus' teaching and His command for all believers is **Radical Generosity**.

Our giving, for those that call Parkview their home church, is a very important aspect of Radical Generosity. The New Testament commands that giving should be an act of worship, a source of great joy, proportionate to our resources, given on a regular basis, done willingly, given generously, and sacrificially.

Your giving is not only an act of worship to Jesus; it also aids in furthering the mission and vision of Parkview Church.

**We invite you to experience Radical Generosity but if you would like more information about Radical Generosity, visit [parkviewchurch.org/give](http://parkviewchurch.org/give).**
