

Formation Groups

To help one another identify and fight sin with the hope of the gospel

Fruit of the Flesh

Root Idols

“Sin underneath the sin”

Root Idols: <i>What is motivating fruit of the flesh?</i>	POWER	CONTROL	COMFORT	APPROVAL
What am I treasuring?	success, winning, influence	self-discipline, certainty, standards, security	privacy, lack of stress, freedom	affirmation, love, relationships
What am I not believing?	God is glorious and worthy of all power.	God is great and sovereign over everything.	God is good; he knows what is best for me.	God is gracious; he sees me as valuable
How does the gospel transform this idol?	<i>Because Jesus came...</i> I don't have to rule and conquer my life. I am free to lose because my worth is in His victory.	<i>Because Jesus came...</i> My future is secure and my efforts will not earn me anything. I am free to surrender because my life is in His hands.	<i>Because Jesus came...</i> My heart is ruled by His peace and I know joy that is unfading. I am free to give because I have found complete satisfaction in Him.	<i>Because Jesus came...</i> I have nothing to prove. My significance is found in who Jesus says I am. I am free to be rejected because I am chosen and cherished by Him.
